Introduction

The purpose of this document is to provide instruction to users of Collaboration Compass™ and serve as the user guide.

1. Self Registration

Self-Registration allows new users to register for access to Collaboration Compass™ and corresponding applications.

1. Access Collaboration Compass™ with the following url: http://collaborationcompass.com

2. Click Register

Please Note: Users who do not access their account for 180 consecutive days, may be removed from the system. In order to regain access to the Collaboration Compass™, the user must complete the registration process with a new user ID.
3. Review the disclaimer and click Accept, located at the bottom of the page.

4. Enter the required information indicated by the red asterisk, select news subscriptions by holding down the Ctrl key and clicking each subscription needed.

5. Click Submit, located at the bottom of the page

   Please Note: An invalid submitter ID will delay approval.

6. A confirmation message will display, indicating your registration has been accepted; Click OK to return to Identity Manager home page
7. Registration staff will review the user request within 24 hours. Users who are approved will receive an email from the team. Users with invalid Submitter IDs will be contacted for additional information.

Upon receipt of the Collaboration Compass Registration Completed email, users will have access to the Collaboration Compass™ and the RelayHealth Payor Agreement Library.

2. Forgotten Password

A temporary password can be generated by using the Forgotten Password function.

1. Click Password
2. Enter the User ID and click OK.

3. Answer the password hint and click OK.
3. A temporary password will be displayed, copy (CTRL C) the temporary password; the password will also be emailed to the address in the user profile

4. Click OK to return to the Collaboration Compass™ login screen

5. Use the temporary password to log in; once logged in, the user will be required to change their password

6. After entering the new password, click Change Password

7. Click Continue on the next screen.

3. Accessing Identity Manager

To access Identity Manager users will need to be logged into Collaboration Compass™. Access within Identity Manager is based on the roles assigned within each user’s profile.

1. Access Collaboration Compass™ with the following url: http://collaborationcompass.com
2. Login to Collaboration Compass™ by clicking Login

3. Enter the appropriate User ID and password; click Login

4. Click My Account on the top right of the page to access Identity Manager
4. My Account

*My Account* allows users to view their roles and modify or view their profile and password.

1. Clicking on My Account brings you to the following screen.

5.1. Change My Password

The *Change My Password* function allows users to change their password if they know their current password. *Change My Password* may only be accessed if the user is signed in to Identity Management.

1. Click *Change My Password*
Clear the password field, type in the new password, and retype to confirm

2. Click Submit

3. Click OK to return to the Identity Manager home page
5.2. Change My Password Hint

*Change My Password Hint* allows users to change the Challenge question and answer, which is used for security purposes.

1. Click *Change My Password Hint*
2. Update the question and/or answer and click Submit

3. Click OK

5.3. Modify My Profile

Modify My Profile allows users to change their demographic information, like the email address or phone number associated with their account.

1. Click Modify My Profile
2. Update the necessary information and click *Submit*

**Please Note:** Users may only change the submitter ID to another within their scope.

3. Click *OK* to return to the Identity Manager home page
5.4. **View My Profile**

*View My Profile* displays the user’s current demographic information and any Access or Admin roles associated with the user setup.

**Access Roles** grant users access to RelayHealth applications, like the ASP Eligibility application or the Agreements Website.

**Admin Roles** allow a user to view and modify other users within their established scope. For example, it allows Business Partners to view and modify their customers' users.

1. Click View My Profile
2. The Profile tab allows users to view their demographic information and News Subscriptions, as well as the Submitter ID associated with their user ID.

3. To view Access Roles, click the Access Roles tab:
   - Members of a role are granted the rights associated with a role.
   - Administrators of a role may assign it to other users.

4. To view Admin Roles, click the Admin Roles Tab:
   - Members of a role are granted the rights associated with a role.
   - Administrators of a role may assign it to other users.
5. Click Close to return to the Identity Manager home screen

5.5. View My Roles

View My Roles displays a list of Access and Admin roles associated with a user account.

Access Roles grant users access to RelayHealth applications, like the ASP Eligibility application or the Agreements Website.

Admin Roles allow a user to view and modify other users within their established scope. For example, it allows Business Partners to view and modify their customers' users.

1. Click View My Roles
2. The Access Roles tab will appear when clicking the View My Roles link

3. To view Admin Roles, click the Admin Roles tab

4. Click Close to return to the Identity Manager home screen

5.6. View My Submitted Tasks
